FOREWORDS & THANK YOU

PrideFEST 2023 is a bold and courageous celebration of Western Australia's LGBTQIA+ community. This year we adopt the theme of "Brave", and present an aspirational showcase of the LGBTQIA+ community's bravery, resilience, and determination to fight for equal rights, visibility and respect. However, our key message is that bravery is required by everyone in our community. This PrideFEST we particularly call on our allies and community leaders to have the courage to stand up for a more inclusive society every day.

We sincerely thank the Board, staff and volunteers of Pride WA. They are the heart and soul of PrideFEST. It is their commitment to our LGBTQIA+ community that allows Pride WA to continue the vibrant historical traditions of Fairday and the Pride Parade that bring so much celebration and solidarity to our community. Equally, it is their passion, creativity and enthusiasm that brings new events to the rich calendar of PrideFEST.

Inclusivity and diversity are our guiding principles. PrideFEST 2023 is an all-encompassing experience for absolutely everyone. This is only possible with the support of our valued partners and sponsors featured in our Pride Guide.

PrideFEST 2023 is more than just a festival; it's a celebration of the power and determination that define our LGBTQIA+ community. Stand with us and unite – and have some fun!

BE BRAVE, BE STRONG, BE YOU!

Michael Felix & Dr Lauren Butterly
President & CEO - Pride WA

Welcome to Pride 2023 - Western Australia's annual celebration of the LGBTQIA+ community. It's a special time of year.

What started in November 1989 as a march to the steps of Parliament House to demand the decriminalisation of homosexuality, is now a proud celebration of Western Australia's sexual and gender-diverse community. It's also an opportunity to reflect on how far we've come, and the work ahead to protect LGBTQIA+ rights.

I'm immensely proud of Western Australia's diversity. We are all richer for it. But the existence of diversity alone is not enough. Our true strength is derived from society, and our laws, embracing and respecting differences – ensuring that no community is discriminated against.

This year's theme of "brave" reflects the queer community's courage in fighting discrimination and advancing equal rights.

Labor Governments in Western Australia have a strong track record of legislating this progress. From decriminalising male homosexual acts in 1990 to laws expunging historical convictions in 2017 to progressing transgender rights in 2019 – and much more. Meanwhile, work is underway to improve rights to access to assisted reproductive technology and surrogacy.

This year's Pride simply wouldn't be possible without the fantastic team at Pride WA. As Premier, I'm deeply grateful for their efforts to continue this fabulous, vibrant tradition. Please enjoy this year's festivities.

Happy Pride 2023!

The Hon Roger Cook MLA
Premier of Western Australia

The City is proud to support and celebrate PrideFEST, a month-long celebration that brings incredible colour, vibrancy and life to our City of Light.

Our support for Pride WA spans 25 years, and our City staff are excited to again participate in a variety of events across the month, including the ever-fabulous Pride Parade 2023. I am delighted the parade will once again take place in Northbridge, the spiritual home of WA's LGBTQIA+ community.

Doubling as Pride WA's home base, Northbridge truly comes alive for Pride - and we couldn't be more excited to host this marquee event once more.

This year's theme is Be Brave, Be Strong, Be You and the diverse program of events has something for everyone to enjoy and to truly be themselves.

On Saturday 25 November, I look forward to lighting up the streets with all the colours of Pride as the parade lights up Northbridge for a street party like no other!

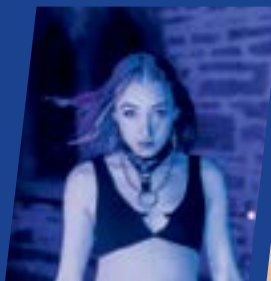

Happy Pride, everyone.

Michelle Reynolds
CEO - City of Perth
